— here are a few ideas

TRY THIS WHEN LUNCH IS LATE!

In the event it becomes necessary to kill ten or so minutes, why not have a zodiac lunch?

Have a prepared 'camper' horiscope for each zodiac sign. When the time comes to delay the group, suggest that each camper sit at his/her zodiac table and read the horiscope of each sign.

Great fun - mixes the group and uses up the ten minutes.

C.C.A. President...

By the time you read this article, it will be winter and hopefully there will be ample snow for the skiers and lots of ice for the skaters. Winter camping will be in full swing, and those not involved in this activity will be busy with maintenance and preparations for another summer.

The C.C.A. Leadership Resources Workshop was held October 16-18 at Camp Wanakita in the Haliburton region of Ontario and was hosted by our genial Treasurer, Wayne Perkins. A great camp in a lovely setting. A Board Meeting followed the Workshop and we had good attendance with representation from every province. Everyone participated in the discussions and we owe a vote of sincere thanks to these dedicated camping enthusiasts who give so generously of their time and expertise to help CCA. The work of the association continues to grow and this speaks well of the individual efforts put forth.

Jan James and Lou Lanier, two experienced and eager members from Alberta, were the faciltitators for the workshop. They did an excellent job in keeping thirty "individuals" on track. New ideas were put forth and many other ongoing programs re-affirmed. Many of the delegates were new to C.C.A. and adapted well to this new responsibility. We welcome them to the Board. Thank you - Lou and Jan, for the excellent job you did in organizing and carrying out this important work. Marjorie Booth, Executive Director, was always available, lending a helping hand wherever needed. The main idea of the work shop was to develop a three to five year plan for the C.C.A., and I believe we succeeded. The findings were then presented to the Board, a committee was formed to study the recommendations and prepare a report for consideration by the Board at its next meeting.

You are all aware that the membership approved certain changes in our constitution and that we now have three regional vice-presidents. The paper work aspect of these changes took place during the summer and early fall and the results were announced at the Board meeting. Derek Walsh of Montreal has agreed to stay on as the representative of Québec and Ontario until May, 1981. George Matthews, the most valued President of the N.S.C.A. was elected to represent the Atlantic Provinces until May, 1983. The Western Provinces did not have any nominations submitted in time for election, so, upon their recommendation, Gary Luthy of Alberta has been appointed as the Western Regional Vice-President until May, 1981. Welcome to all. We now hope that a lot of two way communication between C.C.A. and the provincial groups will take place through the medium of these gentlemen.

John Latimer reports a busy summer of communication and meetings with the American Camping Association concerning the proposed 1983 International Congress. Finances proved to be too big an obstacle so that regretfully the joint effort of C.C.A./O.C.A. and A.C.A. has been dropped. However, C.C.A. and O.C.A. have agreed to jointly sponsor the International Congress in Toronto in March of '83. We hope that there will be active participation by our neighbors to the south and of course invite campers from other countries around the globe. John and his committee will soon be giving us more details of the revised plans.

No doubt you have been receiving notice of the new publications available through the C.C.A. This is a growing and vital part of our work. Use this service whenever possible and let the office know of other books that will be of interest to camping people. We wish to expend this service to our members and it is also a good source of revenue.

Cliff Labbett

The COUNSELLOR'S Page

This idea came from Camp Howdy in British Columbia and appeared in the October/November 1980, B.C.C.A. Newsletter.

Camper Care Package

At the Y.M.C.A.'s Camp Howdy near Vancouver, B.C., we have developed what we call a "Camper Care Package". Naturally it is modelled after the traditional Care Package concept that parents' use....., but with a difference.

On the last day of camp each counsellor is responsible for packing a C.C.P. (Camper Care Package) in each of her or his campers' luggage, and requesting that it is not opened until the camper has reached home. Like a Care Package from home, campers look forward to opening their C.C.P. once they are home. Parents have given us excellent feedback about our C.C.P.'s.

Included in each C.C.P.are: (A new C.C.P. is made up every year so that returning campers have something new to look forward to in the C.C.P.)

1. A "What is a C.C.P." letter - written and signed by our camp mascot.
2. The words for some of the more popular camp songs, announcements, graces, etc.
3. A special poem about camp, camp life, the out-of-doors or nature.
4. Fun activities to do at home, such as crafts, games, etc., which are made up according to what age group the children fall into - either 7 - 8, 9 - 11 or 12 - 14.
5. A meaningful (value-oriented) story made up according to the above age groupings.
6. A list of special January to June Camp and local Y.M.C.A. programs each camper could become involved in and the addresses of their local Y.M.C.A.
7. An evaluation form for parent(s) and child to complete together and return to our camp office. This also served the dual purpose of providing parents with additional ways of finding out more about their child's stay at camp.
8. A family fun activity aimed at family interaction.

If you wish any further information, contact Bruce Cox at the Y.M.C.A. Camping and Outdoor Recreation Branch, Y.M.C.A. of Greater Vancouver, 2556 Highbury Street, Vancouver, B.C., V6R 3T3.

The C.C.A. was founded in 1936 as a non-profit organization. It is a national federation of provincial camping associations uniting the camping leaders into an organization involved in the growth, development and promotion of camping in Canada.

All Canadian Camping Association programs and projects are made possible by membership fees, private contributions and funds from Fitness and Amateur Sport, Government of Canada.

The Canadian Camping Association operates a bookstore, primarily as a service to its members. Books of interest to camp directors, administrators, parents, counsellors and leaders working with children and youth in the outdoors are available in the Toronto office or may be ordered by mail or telephone.

The books handled by C.C.A. are classified into broad categories and listed alphabetically along with a brief description of their contents, the publisher and the price. There is an alphabetical index and order forms at the end of this catalogue.

As well as selling books from both Canadian and American sources, the C.C.A. publishes a number of titles and is the sole distributor in Canada for books published by the American Camping Association.

C.C.A. Executive Director

The past year has been a tremendous learning experience for me. After travelling to each Provincial Association, my awareness of our diversity and strength was certainly heightened.

J'ai appris beaucoup pendant l'année passée - mais la réalisation des projets comme "W.O.S.S.I.", la réunion au Camp Wanakita pour développer un plan d'action pour notre association, et la liste des membres mis dans l'ordinateur enfin! - voici les projets importants pour moi.

In the New Year ahead, the staff at the C.C.A. Office look forward to meeting your needs as members. Please don't hesitate to contact us if we can be of assistance.

Meilleurs voeux pour 1981 - Best Wishes for 1981!

Only God Can Make A Tree

This notice has been posted in the forest reserves of Portugal for over one thousand years.

(Ecologists please note: "Everything old is new again.")

"I am the heart of your hearth on the cold winter nights; the friendly shade which screens you from the summer sun; and my fruits quench your thirst as you journey on.

I am the beam which supports your house, the board of your table, the bed on which you sleep and the timber which builds your boat.

I am the handle of your hoe, the door of your home, the wood of your craddle and the shell of your coffin.

I am the bread of kindness and the flower of beauty.

You who pass by, please... listen to my prayer - 'HARM ME NOT.'"

SKILLET PUDDING

1 can (1 and 2/3 cups evaporated milk
3/4 cup cocoa
½ cup sugar
3/4 cup water
Graham crackers, cookies etc.

Put the first four ingredients in a skillet and bring them to a boil stiriring constantly. Add lo or so coarsely broken graham crackers and cook over low heat for about ½ hour. If graham crackers are not handy, other kinds of cookies can be used, or breakfast foods such as corn flakes even if they are a bit soggy! This is an easy tasty dessert, and is a good way to use up items that might otherwise be thrown away. Serves 6.

From Cookery for Kids, Kamp n' Kicks by Helen E. Stewart

ENERGY BARS

Combine in a skillet over moderate heat about 2 cups of any one of a combination of ready-to-eat cereals e.g. "Grapenuts" and "Bran Flakes"; plus some raisins, nuts or coconut. The heating will crisp these ingredients. Remove from heat and stir in, until melted, about 1 cup (6 oz pkg) of pieces of semi-sweet chocolate, drop by spoonfuls onto waxed paper or foil and let stand until firm. (The mixture will be very thick and hard to stir.) For use on trips, pat the mixture solidly into a muffin tin and turn out the cakes when they have cooled. Wrap in aluminum foil. If possible, make them in a double boiler, rather than a skillet. Makes 16.
